Foreword

We would like to explain some of the articles in the Warrant. In Article 2, you will notice the addition of the item, Reappraisal of Property. This is for the yearly pick-up appraisals and was omitted from last year's Warrant. The item for Legal Fees has increased due to pending litigation, and the Insurance category has increased due to increasing insurance costs.

Article 4 has been increased by $5,000.00 for the Highway Department.

Article 5 requests an appropriation to purchase an all-wheel-drive truck, with a body and plow frame, to replace the GMC truck presently being used by the Highway Department. The intent is to pay for this vehicle over three years.

Article 6 requests the Town to appropriate $1,000.00 for the Planning Board. The Planning Board report may be found elsewhere in this Town Report.

Article 7 requests that $2,000.00 be appropriated to make the Town Hall handicap accessible. This needs to be done to meet Federal regulations.

Article 8 asks for an appropriation to purchase a computer for the Town. The firm that has been doing our tax information will no longer be doing so and we either need to convert our tax information to a new firm or purchase our own in-house system to handle all our needs. Information is still being received on this and will be presented at Town Meeting.

Article 9 requests an appropriation to the Highway Capital Reserve Fund. This has been increased by $6,000.00. The intent is to build up a sizeable balance in this account which can be used the next time a major piece of equipment needs to be purchased.

Article 12 requests authorization to establish a 5 member Historic District Commission.

The Town previously received authorization to establish a Conservation Commission. During the last several years, the Conservation Commission has not been active and anyone interested in being on this Board is urged to contact the Selectmen.

The Selectmen would like to take this opportunity to publicly thank Sue DeRoma for her professional assistance as the Selectmen's Secretary.

Regretfully, due to circumstances beyond the control of the Selectmen, the following reports are not included in the Town Report. It is hoped that they will be available on Election Day.

Report of the Planning Board

Your planning board was appointed on May 15th per your directives of 1986 town meeting. We have held semi-monthly meetings on the first and third Wednesday of each month since. An informational questionnaire was circulated prior to and on November 4th, election day, to obtain input as to the desires of the townspeople. We find from this survey and various personal inputs that there seems to be some disagreement and inconsistency in how much the town should develop; most say the town should retain its "rural character," but upward to half approve of development in industry, business, and residential areas. This may make our job of writing sub-division regulations at a future date difficult. We shall try to please as many as possible, keeping what we believe to be the town's (and its people's) best interest in mind. Currently we are working on a Master Plan for the town (a necessary item before we can do anything else). We hope to have a rough draft ready for your viewing by town meeting. Your input now and in the future is always welcome.

Sherman Wadhams,
Planning Board Chairman

Planning Board Meetings

Regular meetings of the Alexandria Planning Board will be held on the third Wednesday of each month. The Board will also be meeting on the first Wednesday of each month until further notice. All meetings will begin at 7:30 p.m. in the Town Hall.

Alexandria Volunteer Fire Department Report

The Alexandria Volunteer Fire Department reports fire calls were down from previous years. A total of 27 calls were answered.

This year we retired the 1939 Dodge and replaced it with a 1957 FWD all wheel drive truck which we purchased from the Moultonboro Fire Department. The 1939 Dodge has served us many years but with the rapid growth in town it was necessary to update the equipment.

The annual Newsletter & Appeal for 1986 was very successful. We thank all those who responded to it.

We would like to thank the Ladies Auxiliary for their support throughout the year.

TO REPORT A FIRE IN ALEXANDRIA—Call: 524-1545. Give the dispatcher the exact address, location, road name, and type of fire.

We responded to the following incidents in 1986.

Chimney fires	7
Mutual aid	11
Car Fire	1
Structure	1
Forest	1
Mutual aid brush	2
Smoke investigation	1
False alarm	2
Rescue	1

Newfound Ambulance Report
1986 Report

The second year of Newfound Ambulance Rescue's service to Bristol and the surrounding Newfound Area including the Towns of Alexandria, Bridgewater, Danbury, Hebron and New Hampton, saw an increase of 32 in number of calls from the previous year for a 1986 total of 365. A breakdown of number of calls per town is shown below.

It was also a busy year in several other significant ways. The fund drive, started the year before, was brought to a successful conclusion, having raised over $36,000.00 for the purchase and equipping of a new ambulance. In the early months of the year an order was placed for a Wheeled Coach Type II Ambulance. The new Ford vehicle arrived in Bristol in the spring and was phased into service during the summer. The Town's original 1973 ambulance went to the Hebron Fire Department where it is being converted to Rescue/Utility use and hopefully will continue to serve the Newfound Lake area several more years in that capacity.

The ambulances moved into a "new" station in April. With the move of Bristol's Water and Sewer Departments to new quarters, the lower level garage area of Bristol's old Fire Station became available. The two ambulances now share these quarters with the Bristol Police Department. Repair and improvements to the garage doors, especially the addition of an electric opener on the ambulance door has improved response time. The ambulances had previously been housed in private garage and barn space.

A major step in continuing efforts to upgrade the level of pre-hospital care, made available to residents of the service area, was the delivery of a Defibrillator in late December. Ambulance attendants will be receiving training and certification in the use of this very valuable life saving machine in early months of 1987.

With the co-operation of the State E.M.S. Office arrangements were concluded to hold an Emergency Medical Technician (E.M.T.) course in Bristol during the first quarter of 1987.

Report of Town Forest Fire Warden and State Forest Ranger

Between July 1985 and June 1986, we experienced fewer forest fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Report of the Grafton County Commissioners

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents, realizing your concerns and our accountability for a fiscally conservative budget.

We have heard that budget message and continually strive to meet mandated and essential services in the most efficient and effective, yet economical manner possible. This has been reflected in tight county budgets the last two years, resulting in decreased county tax requirements. Some towns may have seen increased county taxes due to evaluation and apportionment formula used by the N. H. Department of Revenue Administration. However, public services at the county level still usually reflect more equitable distribution of tax dollars. County tax averages 6.2% of base property taxes.

The county is facing the same problems in the insurance market as the towns. However, we have joined in the N. H. Municipal Association's insurance programs for most coverage needs at reasonable cost. We shall also have to deal with the loss of Revenue Sharing funds in the next budget.

It is too early to make a comprehensive report on the new welfare system under Senate Bill-l. We do know that with the change in program liabilities, county costs will substantially increase, and towns should realize a decrease in welfare assistance payments. County focus under SB-l is to serve the needs of the children, the elderly and disabled. Because the north country is growing with changing needs, growth in the elderly population, and expanded service requirements, we must look to the future to meet those needs.

The House of Correction occupancy figures have grown dramatically due to week-end sentencing, new DWI laws, and continuous one year sentencing to avoid incarceration at state prison, causing overcrowding at the Correctional facility. One option now under consideration is the construction of a two story dormitory type addition for 30 beds. The result would be a net increase of 18 beds meeting space standards under a plan in line with previous jail study recommendations, and at far less cost than a new facility.

The farm continues to be self-supporting, provides work for inmates, and offers access for experimental projects. The Register of Deeds net profit margin is 3.6% of county revenues. The Sheriff's Department provides essential services in transport, superior court, dispatch, and other law enforcement activities, with increased revenue in fees. The Nursing Home is one of the finest in the state.

We are proud of our county; of the dedicated staff, exemplary services and high standard facilities. Commissioners meet weekly, and encourage public attendance. We welcome facility tours.

Our thanks and appreciation to all.

Civil Defense Report

The C.D. Director, several members of the fire department, and the police chief were among townspeople who attended Civil Defense seminars and schools this year.

The Town now has its total allocation of radiological kits—one is in the police cruiser, one is in each of the three fire trucks, one is in the possession of the Fire Dept. Captain, and one is in the possession of the Civil Defense Director. The master kit is in the town hall, which serves as the Emergency Operations Center for Alexandria. State Civil Defense gave a radiology course in the town hall in late spring on the operation of these instruments.

Alexandria received $2,660.47 in 1986 under the Federal Emergency Management Agency (FEMA) Program. We purchased a copying machine for Civil Defense which is located in the Selectmen's Office. We also purchased converter coms for the Road Dept. trucks, which boost the power of the portable radios purchased last year under FEMA.

Both the Road Dept. and the Police Dept. now have radio communication using Alexandria's own local government frequency. In the future we hope to have communication with the Fire Department on this frequency. One of the main problems in disasters throughout the state has been lack of communication among different emergency departments. We are working towards complete emergency communications in the town of Alexandria.

This coming year a course on hazardous waste and spills will be held at the town hall. Its purpose will be to train emergency personnel in handling this type of incident. This course will be given by the N.H. Civil Defense Agency.

Also scheduled for the summer of 1987 is an exercise conducted by FEMA on emergency management in the town of Alexandria. This will involve the police, fire, and road departments, as well as other town officials. This exercise will give us valuable experience and pinpoint any areas that need improvement.

George G. Whittaker, Civil Defense Director.

Plymouth Outreach

Outreach is the field services arm of the agency. The purpose of this program is to assist low-income, elderly and handicapped persons to solve individual problems and meet needs through individual and/or group self-help efforts. Outreach workers accomplish this purpose by providing information, referrals, guidance, organizational assistance, individual counseling and by effectively linking and utilizing community resources.

This program operates primarily during the summer months. Last summer the following people were served by the CAP Outreach Program in:

CATEGORY	TYPES OF ASSISTANCE	CLIENTS SERVED	
		Households	Individuals
Food	Emergency food supplies, Food Stamps, Government surplus foods, consumer education, food baskets, nutrition, Green Thumb Gardening, Community Gardens	197	591
*Energy	Electrical disconnects, out-of-fuel, Weatherization, wood-stoves, fuel wood, home repairs, furnaces	245	840
Housing	Emergency placements, furnishings, loans, home improvements, tenant/landlord relations, relocations	38	112
Budget Counseling	Money management, debt management, financial planning	3	12
Health	Medicare, Medicaid, mental health, home health	22	56
Income	Job Corps, employment referrals, welfare studies	79	182
Transportation	Emergency rides, car pools		
Legal Assistance	Information and referrals to Legal Aid	8	29
Other	Miscellaneous	60	219
		652	2,041

*Does not include Fuel Assistance

Because of your support and that of other surrounding towns, we were able to keep our Plymouth Outreach Office open last summer. As a result, we were also able to leverage the following funds and/or provide the following services or products to the low-income people of your area:

	Funds or Products Provided
FEMA (emergency food and shelter)	6,389.18
USDA-food products retail value	33,079.06
N.H. Emergency Response Systems-personal emergency response units	4,150.00
GREEN THUMB-garden seeds and community garden funds	310.00
VOLUNTEER HOURS at $3.35/hr	14,361.45
TOTAL	$58,289.69

Please note that these funds are in addition to the approximately $4,000.00 Community Services Block Grant matching funds that are applied to each Outreach Worker's salary and other local expenses. Your financial support is needed to insure the availability of these dollars for local use and help in your community.

Also, our Outreach Workers did the application intake work for Fuel Assistance and Weatherization. As a result, the residents of your town received the following assistance from the Community Action Program this past winter:

	# Households	**Dollar Amount**
FUEL ASSISTANCE	956	394,389.05

New Hampshire Humane Society Report

Office of Selectmen January 7, 1987
Town of Alexandria
Alexandria, New Hampshire

The 1986 totals of the number of animals from the town of Alexandria brought to the N.H. Humane Society shelter are as follows:

By your Animal Control Officer:	
Dogs and Puppies	4
Cats and Kittens	0
Total	4
From Alexandria Residents:	
Dogs and Puppies	5
Cats and Kittens	11
Total	16
Total number of dogs, pups, cats and kittens from Alexandria	20

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1986. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Alexandria and especially your Animal Control Office to use our services more in 1987.

Sincerely,
